Document Controllers, Internal Auditors, Implementation Managers. NBA / NAAC Coordinators & Consultants, Management System / ISO / TQM Consultants. Students and Job seekers in Quality field /Abroad Placements /Career Development.

### **course Format**

- Course Program
- Each day is divided into four sessions, two before lunch and two after lunch.
- The first session precedes the mid-morning break and the second follows mid morning break.
- The afternoon sessions are similarly divided.
- The output of the exercise is a part of the formal continuous assessment and will therefore be marked.
- Although the exercises are group exercises individual score to the delegate will be based on their overall participation.
- A mock audit – Role play will be conducted on Days 4 & 5 of the Training for the delegates to demonstrate the skills learned and understood during the course. All sessions are interactive and delegate participation is encouraged.
- You will need to allow sufficient time to read and understand the notes which have been provided.

### **a) Management Systems**

- The Plan, Do, Check, Act (PDCA) cycle
- The core elements of a management system and the interrelationship between top management responsibility, policy, objectives, planning, implementation, measurement, review, and continual improvement.

### **b) Environmental Management**

The intended outcomes of an environmental management system:

- Enhancement of environmental performance
- Fulfillment of compliance obligations
- Achievement of environmental objectives

### **c) ISO 14001**

- Knowledge of the requirements of ISO 14001 and the commonly used environmental management terms and definitions, as given in ISO 14001, which may be gained by completing an CQI & IRCA Certified EMS Foundation Training course or the equivalent.
