

ISO 45001:2018 Lead Auditor (Occupational Health & Safety Management Systems) Training Course

Who will benefit?

1. Management Representatives, OHSMS/Safety Consultants.
2. ISO / TQM consultants, Health and Safety consultants
3. Fire & Safety officers.
4. Personnel from Institutions / Companies aiming for and working towards Safety Certification
5. Students / Job Seekers in Safety field / Career development.

Course Format

- Course Program
- Each day is divided into four sessions, two before lunch and two after lunch.
- The first session precedes the mid-morning break and the second follows mid-morning break.
- The afternoon sessions are similarly divided.
- The output of the exercise is a part of the formal continuous assessment and will therefore be marked.
- Although the exercises are group exercises individual score to the delegate will be based on their overall participation.
- A mock audit – Role play will be conducted on Days 4 & 5 of the Training for the delegates to demonstrate the skills learned and understood during the course. All sessions are interactive and delegate participation is encouraged.
- You will need to allow sufficient time to read and understand the notes which have been provided.

Course Period

- 5 Consecutive Days
Start Time 09:00; Finish Time 18:00
