

## **FSMS Auditor/ Lead Auditor – ISO 22000:2005 Training Course**

### **Who will benefit?**

- FSMS auditors, e.g. those employed by third party certification bodies / registrars, or by purchasing organizations.
- FSMS practitioners, e.g. Food Safety consultants, Food Safety managers and other Food Safety personnel.
- Employees conducting Food Safety Management System audits within their own organization i.e. Internal Standards.

### **Course Program**

- Each day is divided into four sessions, two before lunch and two after lunch.
- The first session precedes the mid-morning break and the second follows mid morning break.
- The afternoon sessions are similarly divided.
- The outputs of the exercise are a part of the formal continuous assessment and will therefore be marked.
- Although the exercises are group exercises individual score to the delegate will be based on their overall participation.
- A mock audit – Role play will be conducted on Days 4 & 5 of the Training for the delegates to demonstrate the skills learned and understood during the course. All sessions are interactive and delegate participation is encouraged.
- You will need to allow sufficient time to read and understand the notes which have been provided.
